

07Ch Ajays Expression Is Hot Legs

AGN, DD, Am. CDX, ADC, #17, CGN, PALS Therapy Dog

August 1, 1996 - November 18, 2004

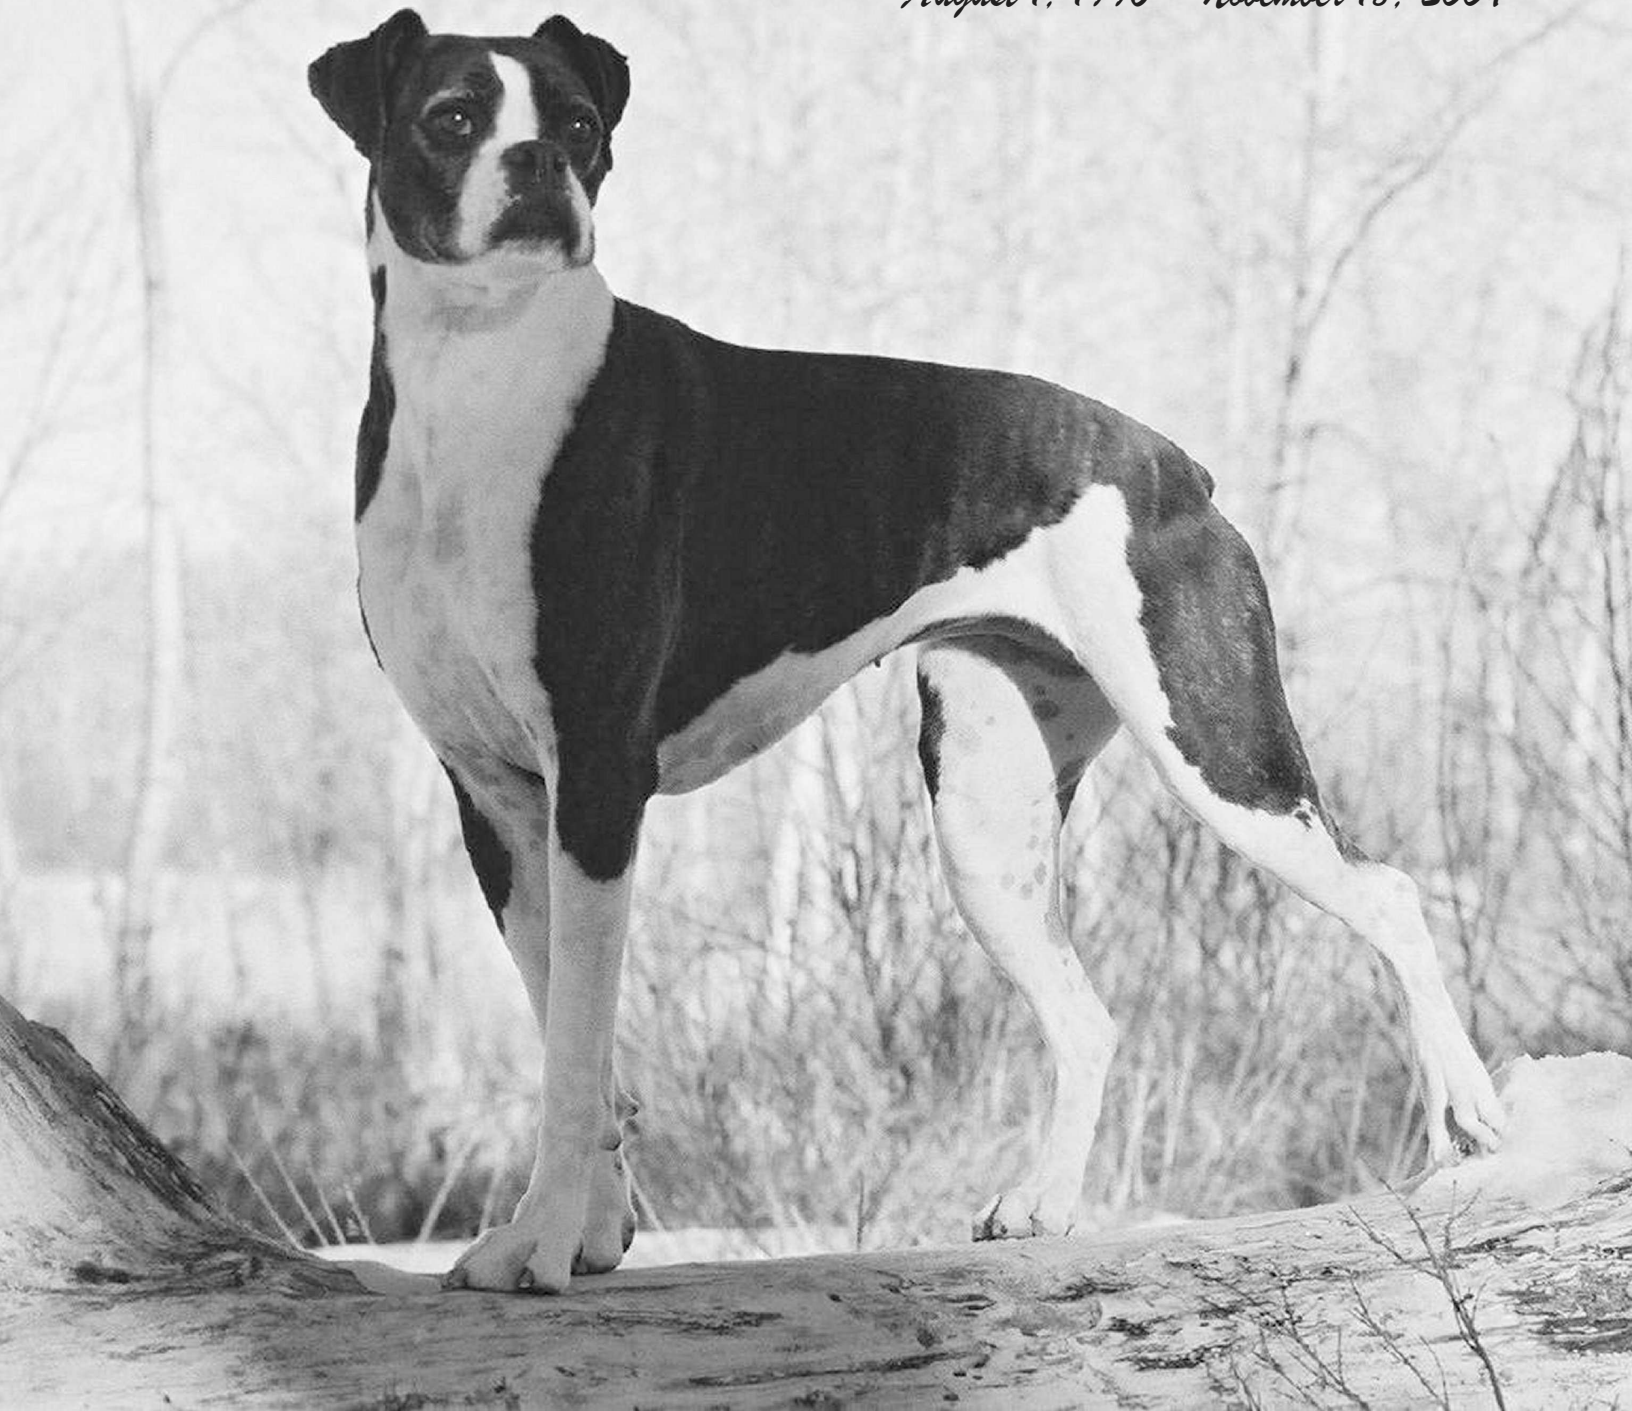

Photo by G. Baldwin

Kira's gentle soul quietly slipped the moorings of this world in the early morning hours of November 18, 2004. While she left us far too soon, I am deeply grateful for every day that I was given to share my life with her. She lived her life with beauty, kindness and patience, achievements that I can only hope to aspire to. We miss you Dolly-dog. Love always, Mummy, Taylor & Tega.
